

Things Your Child's Teacher Wants You to Know

A look inside a teacher's mind could help you understand lesson plans and maybe even guide your child to perform better.

1. Don't hesitate to reach out
2. Create rules at home
3. Their work isn't going to look the same as yours
4. We have your child's best interests in mind
5. Playtime is just as important as time in the classroom
6. Your child's manners are a direct reflection of yours
7. Every kid is special- make sure yours knows that
8. If you talk about it at home, we know about it
9. We wear a lot of hats
10. We spend money out of our own pockets
11. Don't be a helicopter parent- it's not healthy for them or us
12. Let your kids make mistakes
13. Happy, respectful kids make all the difference
