Memorial Sloan Kettering
Cancer Center

Dear Ms. Godinez,

Thank you for your commitment to Memorial Sloan Kettering, and for being part of our monthly giving program, Friends of MSK.

Your gift of \$100 every month is so important because it allows our doctors and researchers to plan ahead with funding they can't count on.

I'm here as a resource if you ever have any questions; please feel free to reach out at 855-718-4054.

Wishing you a happy new year,
Melanie Sovern
